NOTE.

Subject:- Construction of an additional R.C.C. Tank at Davanagere.

The construction of an R.C.C.Tank at Davanagere at a cost of Rs.1,92,125/- was sanctioned in Government Order No.L.15969-71/51-39-46-77 dated 16th May 1947, the cost thereof being met in equal proportions between the Government and the Municipal Council. This work has since been completed.

2. The present storage capacity of water in Davanagere City is reported to be 3.5 lakhs of gallons and this is said to be insufficient resulting in a wastage of drinking water by an overflow between the hours 5 A.M. and 6.30 A.M. every day.

3. The Davanagere City Municipal Council therefore considered at its meeting held on 4th May 1950 the question of constructing an additional R.C.C. tank of two lakhs gallons capacity at an estimated cost of Rs.1,20,000/- to store the extra quantity of water and resolved to take up this work, the cost being shared equally between the Government and the Municipal Council. The Municipal share of the cost is proposed to be met from out of the loan of Rupees seven lakhs sanctioned to them for improvement works. The Chief Engineer, to whom the estimate was sent for technical scrutiny, has approved of it.

4. The Financial Secretary, whose views were invitedon the proposed sharing of the cost, has opined that there is no source for making any Government grant for the work and if the Municipality wants the tank, they should pay the entire cost.

5. When the file was submitted to the Hon'ble Minister for Local Self Government he was pleased to minute as follows:-

> " The proposal may be sanctioned and the moiety of the total estimate may be given out of the allotment of Rs.60,000/- made in the budget of 1951-52 for Davanagere City. This is a Council matter. A council note may be prepared after obtaining the approval of the Hon'ble Chief Minister".

The Hon'ble Chief Minister having ordered the disposal of the question

question at a Council meeting, a Council note is put up. The Finance Minister has agreed to this.

7. The point for orders in this file is the sanctioning of the construction of an additional L.S. Tank at Davangere at an estimated cost of Rs.1.2 lakhs and giving a Government Grant therefore of Rs.60,000/- from out of the allotment of Rs.60,000/- made to the Davangere City Municipality in the budget for 1951-52.

COUNCIL NOTE

Subject Construction of ~~one~~ an additional R C C Tank at Davangere

---

The construction of an R C C Tank at Davangere at a cost of Rs 1,92,125/- was sanctioned in Government Order No L 15969-71/M1 30-46-77 dated 16th May 1947, the cost thereof being met in equal proportions between the Government and the Municipal Council This work has since been completed

2 The present storage capacity of water in Davangere city is reported to be 5 lakhs of gallons and this is said to be insufficient resulting in a wastage of drinking water by an overflow between the hours 5 A M and 6 30 A M every day

3 The Davangere City Municipal Council therefore considered at its meeting held on 4th May 1950 the question of constructing an additional R C C tank of two lakhs gallons capacity at an estimated cost of Rs 1,20,000 to store the extra quantity of water and resolved to take up this work, the cost being shared equally between the Government and the Municipal Council The Municipal share of the cost is proposed to be met from out of the loan of Rupees seven lakhs sanctioned to them for improvement works The Chief Engineer, to whom the estimate was sent for technical scrutiny, has approved of it

4 The Financial Secretary, whose views were invited on the proposed sharing of the cost, has opined that there is no source for making any Government grant for the work and if the Municipality wants the tank, they should pay the entire cost

5 When the file was submitted to the Hon'ble Minister for Local Self Government he was pleased to minute as follows -

"The proposal may be sanctioned and the moiety of the total estimate may be given out of the allotment of Rs 80,000/- made in the budget of

1951-52 for Davangere City This is a Council matter A Council note may be prepared after obtaining the approval of the Hon ble Chief Minister "

6 The Hon'ble Chief Minister having ordered the disposal of the question at a Council meeting, a council note is put up

7 The point for orders in this file is the sanctioning of the construction of an additional R C C Tank at Davangere at an estimated cost of Rs 1 2 lakhs and giving a Government Grant therefor of Rs 60,000/-~~made~~ made from out of the allotment of Rs 80,000/- to the Davangere City Municipality in the budget for 1951-52
